

Program Title: Transformational Leadership

Description

Business is tough and things are changing all around us. Explore the concepts of leading an organization through Dual Transformation by demonstrating Courage, bringing Clarity, encouraging Curiosity and maintaining Conviction. These leadership principles can foster a culture that can lead to new and transformational opportunities.

Highlights:

Refining today's business while creating the future requires Transformational behaviors. Leaders need to exhibit the 4 C's of transformative leadership: Courage, Clarity, Curiosity and Conviction

Learning Objectives:

- * Examine how Dual Transformation challenges today's leaders
- * Identify Courageous behaviors
- * Define how Clarity can be kind in leading your team in the future
- * Explore behaviors to foster a curious culture
- * Evaluate barriers to Conviction when the going gets tough
